

OUR MISSION

We strive to advance basic dignity to people experiencing homelessness through advocacy and innovation

2023 IMPACT

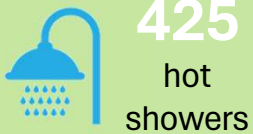

OUR VISION

We embrace a vision where basic dignity is understood to be a universal human right; where everyone has a voice; and where those who suffer from a lack of services have a safe place from which they can be heard.

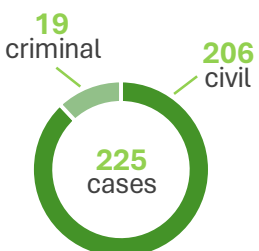

3,372 PEOPLE

were directly supported in accessing secure storage, hygiene services, nutritious meals, and legal assistance and transitioning into shelters and housing.
