MESSAGE FROM THE EXECUTIVE DIRECTOR

This year has been difficult. Difficult to process. Difficult to watch. As a nation, we have seen both man-made and natural disasters plague our country.

And while it is easy to feel hopeless, with countless peoples experiencing such pain, Think Dignity has served as a beacon of hope for me and so many others.

Each of our programs serves to restore dignity for the homeless, a group of individuals who have been ignored and disenfranchised, and provides a way for people to transform and "feel like a human being again." **With each person we touch, that is one more opportunity for a bright future out of homelessness.**

As Dignity Defenders, our work is not done yet. We are here to stand on the frontlines and protect the fundamental rights of all human beings. This year was a re-commitment to and celebration of our mission to advance basic dignity for those living on the streets.

Thank you for your continued support and compassion for our unhoused neighbors. We could not do the work we do without you.

In Solidarity,

Anne M Rios, Esq.
Executive Director and Managing Attorney
